†Exterior of glass only, when activated by sunlight.

Appropriate selection of Andersen windows, doors, and accessories which conform to all applicable laws, ordinances, building codes and safety requirements is the sole responsibility of the architect, building owner and/or contractor. Check with your local Andersen supplier and building code officials for specific information.

The product information available on this website is not, and is not intended to be complete. Be sure to verify with your architect or contractor that the windows, patio doors and accessories you select are suitable for your project. Your local Andersen dealer can then confirm availability and actual prices.

Individual computer and monitor settings may prevent exact product color and hardware finish duplication. Please see your Andersen dealer for exact color and finish samples.
